## Teen & Young Adult Special Needs Ministry

**Real Friends** is Reality's ministry to individuals with developmental disabilities. The heart of Real Friends is friendship rooted in Christ's love. Our hope is that life-long friendships will be made among participants and volunteers. Participants & volunteers at Real Friends have the opportunity to participate in many events and activities throughout the year, which include Tuesday Night Live (TNL) gatherings, Pass the Peas dinners at Blacknall Presbyterian Church, Girls' & Guys' Nights at the Reality Center, the Kings & Queens Dance, the Real Friends Talent Show, summer outings & camps.

**Tuesday Night Live** Tuesday nights are full of laughter, singing, food and fun. Our Teen/Young Adult (14-25 years old) group and our Adult group (over 25 years old) each gather once/month for TNL: which includes pizza, group games, singing, and a short message from the Bible at the Reality Center. TNL is from 6:30-8:00pm and are free to all. Potential new participants should contact Reality Ministries before their first visit.

### **Pass the Peas**

Once a month on Tuesday nights we gather for a family-style dinner at Blacknall Presbyterian Church. We have small group discussions and do a service project. Pass the Peas is from 6:30-8:00 and are free to all. Potential new participants should contact Reality Ministries before their first visit.

### **Guy Time & Girl Time**

About twice a month we will meet at the Reality Center for small group bible studies. We have organized the groups by male and female, hence the names. All are welcome to join us, but please contact us before your first visit.
